

## Intellinet 720854 1U

**Marca :** Intellinet

**Código del producto:** 720861

**Nombre del producto :** 720854

24 puertos, FTP, 1 U, 90° Bloques de perforación de entrada superior, negro.

**Intellinet 720854 1U:**

El Panel de Parcheo Blindado Cat6a de Intellinet Network Solutions le da al personal de TI la libertad de crear completamente la red adecuada para la organización. Ya sea que se trate de puntos de conexión de cableado para todos los equipos elegibles o de añadir más puertos a la red, el Panel de Parcheo Blindado Cat6a hace posible la evolución de su red. Sus puertos pre-numerados ofrecen una fácil identificación del dispositivo, y una barra de administración de cables extraíble ayuda a mantener los cables en su lugar. Diseñado tanto para cables sin blindaje como para cables con blindaje, el Panel de Parcheo Blindado Cat6a de Intellinet Network Solutions se adhiere a los estándares actuales de la industria y cumple con los estándares de racks de 19".

| Conexión                    |                                       | Aprobaciones reguladoras               |           |
|-----------------------------|---------------------------------------|----------------------------------------|-----------|
| Estándares de red           | IEEE 802.3, IEEE 802.3ab, IEEE 802.3u | Certificación                          | UL, CE    |
| Tipo de interfaz ethernet   | Gigabit Ethernet                      | Condiciones ambientales                |           |
| Cantidad de puertos         | 24                                    | Intervalo de temperatura operativa     | 0 - 70 °C |
| Tipos de cable soportados   | Cat6a                                 | Peso y dimensiones                     |           |
| Blindaje de cable           | F/UTP (FTP)                           | Ancho                                  | 482 mm    |
| Diseño                      |                                       | Altura                                 | 44,3 mm   |
| Color del producto          | Negro                                 | Profundidad                            | 98,5 mm   |
| Montaje                     | Montaje en bastidor                   | Peso                                   | 1,5 kg    |
| Capacidad del rack          | 1U                                    | Datos logísticos                       |           |
| Aprobaciones reguladoras    |                                       | Código de Sistema de Armomización (SA) | 85371098  |
| Certificados de conformidad | RoHS                                  |                                        |           |
