

## Vertiv Avocent ACS8032SAC-404 servidor de consola RJ-45

**Marca :** Vertiv

**Familia de productos:**  
Avocent

**Código del producto:**  
ACS8032SAC-404

**Nombre del producto :**  
ACS8032SAC-404

Vertiv Avocent ACS8032SAC-404. Protocolos de gestión: CLI, HTTP/ HTTPS, SNMP. Método de autenticación: LOCAL,LDAP,RADIUS,TACACS+ and OneTimePasswords(OTP), Algoritmos de seguridad soportados: 3DES, 128-bit AES, 192-bit AES, 256-bit AES, AES, FIPS 140-2, HTTPS, IPSec, SHA-256, SNMP, SNMPv3,.... Puerto de consola: RJ-45, Tipo de salida AC: C13 acoplador. Sistema operativo instalado: LINUX embebido. Dimensiones (Ancho x Profundidad x Altura): 438,2 x 241,3 x 44,5 mm, Peso: 3,4 kg

### Detalles técnicos

|                                          |       |
|------------------------------------------|-------|
| Montaje en rack                          | ✓     |
| Modem interno                            | ✗     |
| Aprovisionamiento sin intervención (ZTP) | ✓     |
| Administración basada en web             | ✓     |
| Sensor de temperatura                    | ✓     |
| Color del producto                       | Negro |

### Características de administración

|                       |                        |
|-----------------------|------------------------|
| Protocolos de gestión | CLI, HTTP/ HTTPS, SNMP |
|-----------------------|------------------------|

### Seguridad

|                                    |                                                                                                               |
|------------------------------------|---------------------------------------------------------------------------------------------------------------|
| Método de autenticación            | LOCAL,LDAP,RADIUS,TACACS+ and OneTimePasswords(OTP)                                                           |
| Algoritmos de seguridad soportados | 3DES, 128-bit AES, 192-bit AES, 256-bit AES, AES, FIPS 140-2, HTTPS, IPSec, SHA-256, SNMP, SNMPv3, SSH, SSH-2 |
| Filtro de dirección IP             | ✓                                                                                                             |
| Contraseña de un solo uso (OTP)    | ✓                                                                                                             |

### Puertos e Interfaces

|                                          |               |
|------------------------------------------|---------------|
| Puerto de consola                        | RJ-45         |
| Puerto serial                            | 32            |
| Cantidad de puertos USB 2.0              | 8             |
| Ethernet LAN (RJ-45) cantidad de puertos | 2             |
| Cantidad de ranuras del módulo SFP       | 2             |
| Tipo de salida AC                        | C13 acoplador |

### Software

|                             |                |
|-----------------------------|----------------|
| Sistema operativo instalado | LINUX embebido |
|-----------------------------|----------------|

### Peso y dimensiones

|                                            |                         |
|--------------------------------------------|-------------------------|
| Dimensiones (Ancho x Profundidad x Altura) | 438,2 x 241,3 x 44,5 mm |
| Peso                                       | 3,4 kg                  |

### Control de energía

|                                   |       |
|-----------------------------------|-------|
| Consumo energético                | 20 W  |
| Consumo de energía (max)          | 35 W  |
| Corriente de entrada              | 0.1 A |
| Número de fuentes de alimentación | 1     |

### Condiciones ambientales

|                                                   |             |
|---------------------------------------------------|-------------|
| Intervalo de temperatura operativa                | -10 - 60 °C |
| Intervalo de temperatura de almacenaje            | -20 - 70 °C |
| Intervalo de humedad relativa para funcionamiento | 20 - 80%    |
| Intervalo de humedad relativa durante almacenaje  | 5 - 95%     |

### Aprobaciones reguladoras

|               |                                                                                                                                                                                |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Certificación | FCC Class A, CE Class A (EU), ICES-003 (Canada), VCCI (Japan), RCM (Australia), Customs Union (CU), KCC (Korea), UL (USA), cUL (Canada), EN-60950 (EU), CB, Customs Union (CU) |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Memoria

|                  |          |
|------------------|----------|
| Memoria Flash    | 16000 MB |
| Capacidad de RAM | 1024 MB  |
| Tipo de RAM      | DDR3L    |
| Capacidad eMMC   | 16 GB    |

### Procesador

|                                 |               |
|---------------------------------|---------------|
| Familia de procesador           | ARM Cortex-A9 |
| Arquitectura del procesador     | ARM Cortex-A9 |
| Número de núcleos de procesador | 2             |
| Frecuencia del procesador       | 667 MHz       |

### Conexión

|                                          |                                                     |
|------------------------------------------|-----------------------------------------------------|
| Tecnología de cableado ethernet de cobre | 10BASE-T, 100BASE-T, 1000BASE-T                     |
| Tipos de cable soportados                | Cat5, Cat5e, Cat6, Cat6+, Cat6a, Cat6e, Cat7, Fibra |

| Control de energía       |                   | Otras características |                                                               |
|--------------------------|-------------------|-----------------------|---------------------------------------------------------------|
| Alimentación             | Corriente alterna | Seguridad             | UL (USA), cUL (Canada), EN-60950 (EU), CB, Customs Union (CU) |
| Voltaje de entrada AC    | 107 - 240 V       |                       |                                                               |
| Frecuencia de entrada AC | 50 - 60 Hz        |                       |                                                               |
