

## ATEN Extensor USB 2.0 por LAN de 4 puertos

**Marca :** ATEN

**Código del producto:** UEH4102-AT-G

**Nombre del producto :** Extensor USB 2.0 por LAN de 4 puertos

Extensor USB 2.0 por LAN de 4 puertos

ATEN Extensor USB 2.0 por LAN de 4 puertos:

El extensor USB 2.0 a través de LAN de 4 puertos UEH4102 incorpora la tecnología patentada ExtremeUSB®, que permite que los usuarios no tengan que ceñirse al límite de cable de 5 metros estándar de los periféricos USB.

1x UEH4102L extensor USB 2.0 a través de LAN Cat 5 de 4 puertos (unidad local)

1x UEH4102R extensor USB 2.0 a través de LAN Cat 5 de 4 puertos (unidad remota)

1x 0AD9-1B05-30EG adaptador de corriente

1x LIN6-04U1-V1BG cable USB 2.0 de Tipo A a Tipo B

1x manual de instrucciones

ATEN Extensor USB 2.0 por LAN de 4 puertos. Tipo: Transmisor y receptor de red, Distancia de transferencia máxima: 100 m, Velocidad de transferencia de datos: 480 Mbit/s. Color del producto: Negro, Material de la carcasa: Metal. Consumo de energía (receptor) (max): 15 W, Voltaje de salida: 5 V. Ancho: 76 mm, Profundidad: 100 mm, Altura: 26 mm. Cables incluidos: USB

| Desempeño                                         |                              | Condiciones ambientales                           |             |
|---------------------------------------------------|------------------------------|---------------------------------------------------|-------------|
| Tipo *                                            | Transmisor y receptor de red | Intervalo de temperatura operativa                | 0 - 50 °C   |
| Distancia de transferencia máxima *               | 100 m                        | Intervalo de temperatura de almacenaje            | -20 - 70 °C |
| Velocidad de transferencia de datos               | 480 Mbit/s                   | Intervalo de humedad relativa para funcionamiento | 0 - 80%     |
| Tipos de cable soportados                         | Cat5, Cat6, Cat7             | Intervalo de humedad relativa durante almacenaje  | 0 - 80%     |
| Ethernet LAN, velocidad de transferencia de datos | 10,100,1000 Mbit/s           | <b>Peso y dimensiones</b>                         |             |
| Sistema operativo Windows soportado               | ✓                            | Ancho                                             | 76 mm       |
| Compatible con Mac                                | ✓                            | Profundidad                                       | 100 mm      |
| Sistema operativo Linux soportado                 | ✓                            | Altura                                            | 26 mm       |
| <b>Puertos e Interfaces</b>                       |                              | Peso                                              | 540 g       |
| Cantidad de puertos RJ-45 (transmisor)            | 1                            | <b>Contenido del embalaje</b>                     |             |
| Cantidad de puertos RJ-45 (receptor)              | 1                            | Cables incluidos                                  | USB         |
| Cantidad de puertos USB 2.0                       | 5                            | Manual de usuario                                 | ✓           |
| Enchufe de entrada de CC                          | ✓                            | Adaptador AC incluido                             | ✓           |
| <b>Diseño</b>                                     |                              | <b>Empaquetado</b>                                |             |
| Color del producto *                              | Negro                        | Ancho del paquete                                 | 59 mm       |
| Material de la carcasa                            | Metal                        | Profundidad del paquete                           | 239 mm      |
| Indicadores LED                                   | ✓                            | Altura del paquete                                | 160 mm      |
| <b>Control de energía</b>                         |                              | Peso del paquete                                  | 754 g       |
| Consumo de energía (receptor) (max)               | 15 W                         | <b>Datos logísticos</b>                           |             |
| Adaptador de energía externo                      | ✓                            | Peso neto de caja                                 | 2,7 kg      |
| Voltaje de salida                                 | 5 V                          | Código de Sistema de Armomización (SA)            | 85176990    |
|                                                   |                              | Ancho de la caja principal                        | 250 mm      |
|                                                   |                              | Longitud de la caja                               | 325 mm      |
|                                                   |                              | Alto de la caja principal                         | 175 mm      |
|                                                   |                              | Peso del envase completo                          | 4,22 kg     |
|                                                   |                              | Cantidad por caja                                 | 5 pieza(s)  |
