

**Código del producto:** 400-AUQX

**Nombre del producto :** 400-AUQX

2.4TB, 10000K, SAS, 2.5"

DELL 400-AUQX disco duro interno 2,4 TB 10000 RPM 2.5" SAS:

Aumente la capacidad de almacenamiento del sistema con el disco duro de 2.4TB de Dell.  
DELL 400-AUQX. Capacidad del HDD: 2,4 TB, Velocidad de rotación del HDD: 10000 RPM, Tamaño del HDD: 2.5", Interfaz: SAS

| Características                             |                              |
|---------------------------------------------|------------------------------|
| Capacidad del HDD *                         | 2,4 TB                       |
| Velocidad de rotación del HDD *             | 10000 RPM                    |
| Tamaño del HDD *                            | 2.5"                         |
| Interfaz *                                  | SAS                          |
| Tipo *                                      | Unidad de disco duro         |
| Componente para *                           | Servidor/estación de trabajo |
| Hot-swap *                                  | ✓                            |
| Velocidad de transferencia Interfaz del HDD | 12 Gbit/s                    |
| Bytes por sector                            | 512e                         |

| Control de energía                               |                                                                                                       |
|--------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Voltaje de funcionamiento                        | 5 V                                                                                                   |
| Contenido del embalaje                           |                                                                                                       |
| Adaptador para unidad de almacenamiento incluido | ✗                                                                                                     |
| Empaquetado                                      |                                                                                                       |
