

# Lindy 43386 amplificador de red Transmisor y receptor de red Negro

Marca : Lindy

Código del producto: 43386

Nombre del producto : 43386

Lindy 43386. Tipo: Transmisor y receptor de red, Distancia de transferencia máxima: 50 m, Velocidad de transferencia de datos: 480 Mbit/s. Color del producto: Negro, Cantidad por paquete: 1 pieza(s). Corriente de entrada: 2 A. ancho de transmisor: 6,02 cm, Profundidad de transmisor: 6,7 cm, Alzada de transmisor: 2,37 cm. Cables incluidos: USB

| Desempeño                                |                              | Condiciones ambientales                                                     |              |
|------------------------------------------|------------------------------|-----------------------------------------------------------------------------|--------------|
| Tipo *                                   | Transmisor y receptor de red | Intervalo de temperatura operativa                                          | 0 - 50 °C    |
| Distancia de transferencia máxima *      | 50 m                         | Intervalo de temperatura de almacenaje                                      | -40 - 125 °C |
| Velocidad de transferencia de datos      | 480 Mbit/s                   | Intervalo de humedad relativa para funcionamiento                           | 0 - 90%      |
| Tipos de cable soportados                | Cat5e, Cat6                  | Intervalo de humedad relativa durante almacenaje                            | 0 - 90%      |
| Circuito integrado                       | NS1021                       | Peso y dimensiones                                                          |              |
| Conectar y usar (Plug and Play)          | ✓                            | ancho de transmisor                                                         | 6,02 cm      |
| Puertos e Interfaces                     |                              | Profundidad de transmisor                                                   | 6,7 cm       |
| Ethernet LAN (RJ-45) cantidad de puertos | 2                            | Alzada de transmisor                                                        | 2,37 cm      |
| Cantidad de puertos RJ-45 (transmisor)   | 1                            | Transmisor de peso                                                          | 195 g        |
| Cantidad de puertos RJ-45 (receptor)     | 1                            | Ancho de receptor                                                           | 6,02 cm      |
| Cantidad de puertos USB 2.0              | 3                            | Fondo del receptor                                                          | 6,7 cm       |
| Enchufe de entrada de CC                 | ✓                            | Altura de receptor                                                          | 2,6 cm       |
| Puertos de entrada RJ-45                 | 1                            | Peso del receptor                                                           | 195 g        |
| Puertos de salida RJ-45                  | 1                            | Contenido del embalaje                                                      |              |
| Diseño                                   |                              | Cables incluidos                                                            | USB          |
| Color del producto                       | Negro                        | Manual de usuario                                                           | ✓            |
| Cantidad por paquete                     | 1 pieza(s)                   | Adaptador AC incluido                                                       | ✓            |
| Control de energía                       |                              | Sostenibilidad                                                              |              |
| Corriente de entrada                     | 2 A                          | Cumplimiento de sostenibilidad                                              | ✓            |
| Aprobaciones regulatoras                 |                              |                                                                             |              |
| Certificados de conformidad              |                              | CE, Comisión Federal de Comunicaciones (FCC) de Estados Unidos, REACH, RoHS |              |
