

Lenovo 4XB7A10195 unidad de estado sólido 240 GB 2.5" Serial ATA III

Marca : Lenovo

Código del producto: 4XB7A10195

Nombre del producto : 4XB7A10195

Lenovo 4XB7A10195. SDD, capacidad: 240 GB, Factor de forma de disco SSD: 2.5", Velocidad de lectura: 550 MB/s, Velocidad de escritura: 320 MB/s, Velocidad de transferencia de datos: 6 Gbit/s, Componente para: Servidor/estación de trabajo

| Características                     |                                                              | Control de energía                     |          |
|-------------------------------------|--------------------------------------------------------------|----------------------------------------|----------|
| SDD, capacidad *                    | 240 GB                                                       | Consumo de energía (lectura)           | 2,3 W    |
| Factor de forma de disco SSD *      | 2.5"                                                         | Consumo de energía (escritura)         | 2,6 W    |
| Interfaz *                          | Serial ATA III                                               | Peso y dimensiones                     |          |
| NVMe *                              | ✗                                                            | Ancho                                  | 70 mm    |
| Componente para *                   | Servidor/estación de trabajo                                 | Profundidad                            | 100 mm   |
| Velocidad de transferencia de datos | 6 Gbit/s                                                     | Altura                                 | 7 mm     |
| Velocidad de lectura                | 550 MB/s                                                     | Peso                                   | 58 g     |
| Velocidad de escritura              | 320 MB/s                                                     | Empaquetado                            |          |
| Lectura aleatoria (4KB)             | 98000 IOPS                                                   | Ancho del paquete                      | 133 mm   |
| Escritura aleatoria (4KB)           | 14000 IOPS                                                   | Profundidad del paquete                | 174 mm   |
| Latencia de lectura                 | 120 µs                                                       | Altura del paquete                     | 63 mm    |
| Latencia de escritura               | 70 µs                                                        | Peso del paquete                       | 433 g    |
| Hot-swap                            | ✓                                                            | Condiciones ambientales                |          |
| Uncorrectable Bit Error Rate (UBER) | < 1 per 10 <sup>17</sup> bits read                           | Vibración operativa                    | 2,17 G   |
| Tiempo medio entre fallos           | 2000000 h                                                    | Golpes en funcionamiento               | 1500 G   |
