

# ASUS PRIME B760-PLUS D4 Intel B760 LGA 1700 ATX

Marca : ASUS

Código del producto: 90MB1CW0-M1EAY0

Nombre del producto : PRIME B760-PLUS D4

ASUS PRIME B760-PLUS D4. Fabricante de procesador: Intel, Socket de procesador: LGA 1700, Procesador compatible: Intel® Celeron®, Intel® Pentium® Gold, Intel® Core™ i3, Intel® Core™ i5, Intel® Core™ ..... tipos de memoria compatibles: DDR4-SDRAM, Memoria interna máxima: 128 GB, Tipo de ranuras de memoria: DIMM. Interfaces de disco de almacenamiento soportados: M.2, SATA III, Tipos de unidades de almacenamiento admitidas: HDD & SSD, Niveles RAID: 0, 1, 5, 10. Tipo de interfaz ethernet: 2.5 Gigabit Ethernet. Componente para: PC, Factor de forma: ATX, Familia del chipset: Intel

| Procesador                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                           | Interno I/O                                            |                      |
