

dbramante1928 CH30EUWH7097 cargador de dispositivo móvil  
Universal Blanco Corriente alterna Interior

Marca : dbramante1928

Código del producto: CH30EUWH7097

Nombre del producto : CH30EUWH7097

dbramante1928 CH30EUWH7097. Tipo de cargador: Interior, Alimentación: Corriente alterna, Compatibilidad del cargador: Universal. Voltaje de entrada: 110 - 240 V. Número de puertos USB Tipo C: 1. Color del producto: Blanco

| Desempeño                       |                   | Control de energía              |                                                                      |
|---------------------------------|-------------------|---------------------------------|----------------------------------------------------------------------|
| Compatibilidad del cargador *   | Universal         | Potencia de salida del puerto 1 | 30 W                                                                 |
| Alimentación *                  | Corriente alterna | Corriente de salida (5V)        | 3 A                                                                  |
| Número de puertos USB Tipo C    | 1                 | Corriente de salida (9V)        | 3 A                                                                  |
| Tipo de cargador *              | Interior          | Corriente de salida (12V)       | 2,5 A                                                                |
| Suministro de potencia USB      | ✓                 | Corriente de salida (15 V)      | 2 A                                                                  |
| Diseño                          |                   | Corriente de salida (20 V)      | 1,5 A                                                                |
