

## TP-Link Omada ER605 router Gigabit Ethernet Negro

**Marca :** TP-Link

**Familia de productos:** Omada **Código del producto:** ER605

**Nombre del producto :** ER605

TP-Link Omada ER605. Estándares de red: IEEE 802.1Q, IEEE 802.3, IEEE 802.3ab, IEEE 802.3u, IEEE 802.3x, Tipo de interfaz ethernet: Gigabit Ethernet, Tecnología de cableado: 10/100/1000Base-T(X). Protocolo de routing: RIP-1, RIP-2, Protocolos de gestión: Telnet, Protocolos de red compatibles: TCP/IP, DHCP, ICMP, NAT, PPPoE, SNTP, HTTP, DNS, IPsec, PPTP, L2TP. Algoritmos de seguridad soportados: 3DES, 128-bit AES, 192-bit AES, 256-bit AES, DES, MD5, SHA-1, Método de autenticación: SHA-1, MD5, Soporte VPN: • 20 IPsec VPN Tunnels • LAN-to-LAN, Client-to-LAN • Main, Aggressive Negotiation Mode •.... Certificados de conformidad: RoHS. Cables incluidos: Corriente alterna

| Conexión WAN                                              |                                                                 | Seguridad                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
