

NETGEAR M4300-28G-PoE+(1000W)/US/EMEA Gestionado Gigabit Ethernet (10/100/1000) Energía sobre Ethernet (PoE) 1U Negro

Marca : NETGEAR

Código del producto:  
GSM4328PB-100NES

Nombre del producto : M4300-28G-PoE+(1000W)/US/EMEA

NETGEAR M4300-28G-PoE+(1000W)/US/EMEA. Tipo de interruptor: Gestionado. Puertos tipo básico de conmutación RJ-45 Ethernet: Gigabit Ethernet (10/100/1000), Cantidad de puertos básicos de conmutación RJ-45 Ethernet: 24, Número de módulos SFP+ instalados: 2, Cantidad de puertos USB 2.0: 1, Puerto de consola: RJ-45. Capacidad de conmutación: 128 Gbit/s. Energía sobre Ethernet (PoE). Factor de forma: 1U

| Características de administración                           |                                | Fibra óptica                             |                      |
|-------------------------------------------------------------|--------------------------------|------------------------------------------|----------------------|
| Tipo de interruptor *                                       | Gestionado                     | Tecnología de fibra de cableado ethernet | 10GBASE-T, 10GBASE-X |
| Calidad de servicio (QoS) soporte                           | ✗                              | Transmisión de datos                     |                      |
| Puertos e Interfaces                                        |                                | Capacidad de conmutación *               | 128 Gbit/s           |
| Cantidad de puertos básicos de conmutación RJ-45 Ethernet * | 24                             | Latencia (10 Gbps)                       | 2,72 µs              |
| Puertos tipo básico de conmutación RJ-45 Ethernet *         | Gigabit Ethernet (10/100/1000) | Diseño                                   |                      |
| Número de módulos SFP+ instalados *                         | 2                              | Apilable *                               | ✓                    |
| Cantidad de ranuras del módulo SFP+                         | 2                              | Factor de forma                          | 1U                   |
| Puerto de consola                                           | RJ-45                          | Color del producto                       | Negro                |
| Cantidad de puertos USB 2.0                                 | 1                              | Número de ventiladores                   | 1 Ventilador(es)     |
| Conexión                                                    |                                | Desempeño                                |                      |
| Soporte 10G *                                               | ✓                              | Nivel de ruido                           | 39,8 dB              |
| Tecnología de cableado ethernet de cobre                    | 1000BASE-T                     | Tiempo medio entre fallos                | 1189685 h            |
|                                                             |                                | Control de energía                       |                      |
|                                                             |                                | Fuente de alimentación incluida *        | ✓                    |
|                                                             |                                | Alimentación a través de Ethernet (PoE)  |                      |
|                                                             |                                | Energía sobre Ethernet (PoE) *           | ✓                    |
|                                                             |                                | Condiciones ambientales                  |                      |
|                                                             |                                | Disipación del calor                     | 1969,88 BTU/h        |
|                                                             |                                | Peso y dimensiones                       |                      |
|                                                             |                                | Ancho                                    | 482,6 mm             |
