

Kingston Technology FURY Beast 32GB 5600MT/s DDR5 CL36 DIMM White EXPO

Marca : Kingston Technology      Familia de productos: FURY      Código del producto: KF556C36BWE-32

Nombre del producto : 32GB  
5600MT/s DDR5 CL36 DIMM  
FURY Beast White EXPO

- Mejora de la estabilidad para overclocking
  - Mayor eficacia
  - Homologación Intel® XMP 3.0
  - Homologación AMD EXPO
  - Homologada por los principales fabricantes de placas base del mundo\*
  - Disipador térmico de bajo perfil en negro o en blanco
- 32GB 5600MT/s DDR5 CL36 DIMM FURY Beast White EXPO  
Kingston Technology FURY Beast 32GB 5600MT/s DDR5 CL36 DIMM White EXPO. Componente para: PC,  
Memoria interna: 32 GB, Diseño de memoria (módulos x tamaño): 1 x 32 GB, Tipo de memoria interna:  
DDR5, Forma de factor de memoria: 288-pin DIMM, Latencia CAS: 36

| Características                                          |                           | Características                        |                   |
|----------------------------------------------------------|---------------------------|----------------------------------------|-------------------|
| Tipo de memoria con búfer                                | Unregistered (unbuffered) | País de origen                         | China, Taiwán     |
| On-Die ECC                                               | ✓                         | Tipo de enfriamiento                   | Disipador térmico |
| Latencia CAS                                             | 36                        | Placa de plomo                         | Oro               |
| Memoria interna *                                        | 32 GB                     | Retroiluminación                       | ✗                 |
| Diseño de memoria (módulos x tamaño) *                   | 1 x 32 GB                 | Estándar JEDEC                         | ✓                 |
| Tipo de memoria interna *                                | DDR5                      | Condiciones ambientales                |                   |
| Rango de memoria de transferencia de datos *             | 5600 MT/s                 | Intervalo de temperatura operativa     | 0 - 85 °C         |
| Componente para *                                        | PC                        | Intervalo de temperatura de almacenaje | -55 - 100 °C      |
| Forma de factor de memoria *                             | 288-pin DIMM              | Peso y dimensiones                     |                   |
| ECC *                                                    | ✗                         | Ancho                                  | 6,62 mm           |
| Clasificación de memoria                                 | 2                         | Profundidad                            | 133,3 mm          |
| Voltaje de memoria                                       | 1.25 V                    | Altura                                 | 34,9 mm           |
| Configuración de módulos                                 | 4096M x 64                | Peso                                   | 35,13 g           |
| Tiempo de ciclo de fila                                  | 48 ns                     | Empaquetado                            |                   |
| Tiempo de actualización de ciclo de fila                 | 295 ns                    | Ancho del paquete                      | 57,1 mm           |
| Tiempo activo en fila                                    | 32 ns                     | Profundidad del paquete                | 14 mm             |
| AMD EXPO (Extended Profiles for Overclocking)            | ✓                         | Altura del paquete                     | 171,4 mm          |
| Versión de AMD EXPO (Extended Profiles for Overclocking) | 1.0                       | Peso del paquete                       | 54,1 g            |
| Perfil SPD                                               | ✓                         | Datos logísticos                       |                   |
| Programador de potencia de voltaje (VPP)                 | 1,8 V                     | Ancho de la caja principal             | 196,8 mm          |
|                                                          |                           | Longitud de la caja                    | 311,1 mm          |
|                                                          |                           | Alto de la caja principal              | 61 mm             |
|                                                          |                           | Peso del envase completo               | 1,5 kg            |
|                                                          |                           | Cantidad por caja                      | 25 pieza(s)       |
