

Samsung PRO Ultimate 64 GB SDXC UHS-I Clase 3

Marca : Samsung

Código del producto: MB-SY64S/WW

Nombre del producto : PRO Ultimate

MB-SY64S/WW

Samsung PRO Ultimate. Capacidad: 64 GB, Tipo de tarjeta flash: SDXC, Clase de memoria flash: Clase 3, Tipo de memoria interna: UHS-I, Velocidad de lectura: 200 MB/s, Velocidad de escritura: 130 MB/s, Clase de velocidad UHS: Class 3 (U3), Clase de velocidad de vídeo: V30. Funciones de protección: Protección contra caídas, Resistente a golpes, Resistente a la temperatura, Resistente al agua,,,,, Color del producto: Blanco

| Memoria                     |                                                                                                                     | Control de energía                     |             |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------|----------------------------------------|-------------|
| Capacidad *                 | 64 GB                                                                                                               | Voltaje de memoria                     | 2.7,3.6 V   |
| Tipo de tarjeta flash *     | SDXC                                                                                                                | Condiciones ambientales                |             |
| Velocidad de lectura        | 200 MB/s                                                                                                            | Intervalo de temperatura operativa     | -25 - 85 °C |
| Velocidad de escritura      | 130 MB/s                                                                                                            | Intervalo de temperatura de almacenaje | -40 - 85 °C |
| Tipo de memoria interna     | UHS-I                                                                                                               | Peso y dimensiones                     |             |
| Clase de velocidad UHS      | Class 3 (U3)                                                                                                        | Ancho                                  | 32 mm       |
| Clase de velocidad de vídeo | V30                                                                                                                 | Profundidad                            | 2,1 mm      |
| Clase de memoria flash *    | Clase 3                                                                                                             | Altura                                 | 24 mm       |
| Características             |                                                                                                                     | Peso                                   | 1,75 g      |
| Color del producto          | Blanco                                                                                                              | Otras características                  |             |
| Funciones de protección     | Protección contra caídas, Resistente a golpes, Resistente a la temperatura, Resistente al agua, A prueba de rayos X | Periodo de garantía                    | 10 año(s)   |
| Durabilidad                 | 10000 ciclos por sector lógico                                                                                      |                                        |             |
| Certificación               | CE(UKCA)/FCC/VCCI/RCM                                                                                               |                                        |             |
